Q. How can I register and login to the Member Center?
A. Visit MyChristianCare.org and click the “Login” button on the top right hand section of the page to register. Q. How do I find a provider?

Q. Once I find a provider, what do I tell them at my first visit?

Q. Will my provider fee be applied to my Annual Household Portion (AHP)?
A. No. Your provider fee is never applied to your AHP.

Simply present your Medi-Share card at participating pharmacies including Walmart, CVS, Walgreens, Target, and many other independent, national and regional chains. Find the pharmacies near you and compare your prescription prices at MyRxPrice.com.

Dental, Vision, and More Discounts – Christian Care Ministry has access to a discount plan offering significant savings for Medi-Share members. Find participating providers for dental, vision and hearing discounts by selecting “Find a Provider” after you have logged in to the Member Center.

Your Medi-Share Sharing Account

When you joined Medi-Share, an individual sharing account was established for the purpose of sharing. This account should not be used for any other purpose.

“As Medi-Share members, we appreciate that we have a say in what we share the cost in. We’re thankful that medical procedures which violate our conscience are never shared. That means a lot, not just from a cost perspective but from a values perspective.”

—Pastor Mark and Tonya
Find PPO Providers

Christian Care Ministry’s primary preferred provider organization (PPO) is PHCS. Membership in a PPO allows Medi-Share members to benefit from quality medical care at discounted prices for medical events that are eligible for sharing.

You can search for providers after you login to the Member Center by selecting “Find a Provider” or go directly to MyChristianCare.org/FindProviders.

For your convenience, the PHCS website allows you to create and print a directory of providers and facilities in your area to have on hand for future reference.

PPO providers may, as a courtesy, honor discounts for services that are ineligible for sharing, such as routine care or visits under the Annual Household Portion (AHP) amount. To be considered for the discounts shown, you must make prompt payment after receiving the Explanation of Sharing, or EOS.

Find Dental, Vision, and Hearing Providers

For your convenience, you can search for participating providers from the Member Center by clicking on “Find a Provider.”

“There have never been any problems with doctors or hospitals honoring our membership, and the members have always come through with the sharing—paying the bills. It’s a blessing to know you’re dealing with fellow Christians who have your best interests at heart.”

—Jon and Adrienne
Your selected Annual Household Portion (AHP) is the dollar amount that your household must pay toward its eligible medical bills during a 12 month period before eligible medical bills will be approved for sharing. The AHP “tally” begins on the effective date, which is the month and day your participation begins or the month and day of the effective day of the most recent switch to a different AHP or program.

Every time you visit a medical provider, you will present your member card and your provider will submit your medical bills to CCM. They will be processed and may be discounted, and then your provider will bill you for the portion you owe. Once the amount you pay meets your chosen AHP level, your eligible medical bills will be approved for sharing.

Members pay a $35 provider fee for every office visit or hospital stay, or $200 provider fee for every emergency room visit. The provider fee is not applied to the AHP and continues to be paid even after the AHP is reached.

Health Incentive
A household may qualify for up to a 20% reduction of the monthly share amount if all adult members meet specified health criteria, including blood pressure, BMI and weight/waist measurement.

Adult children age 18-22 are not required to qualify for the household to receive their incentive.

Visit the Member Center at MyChristianCare.org to see if you qualify for the discount. All three elements of the qualifying, including blood pressure, BMI and weight/waist measurement must be completed within 90 days of each other. Once the results are received, you will be notified if you meet the criteria for the reduction of your share amount.

The health incentive does not automatically renew every year. Within 90 days prior to your effective date, you (and your spouse if applicable) may submit new certified test results.

Haven’t met your AHP? Consider telehealth!
For non-emergencies, you can see a doctor 24/7 at no cost to you! Login to the Member Center and click on “See a Doctor Now!”
Program Blessings

Because Medi-Share is NOT insurance and in an effort to reduce medical expenses for all members, Christian Care Ministry researches various programs offered by organizations and/or states to assist qualifying members with part or all of their medical expenses. This effort saves millions of dollars each year! Members who qualify, apply and receive benefits from Medicaid or any private benevolence resource may be eligible to receive an incentive in the form of a share credit. Please refer to Section VI. M. Program Blessings.

Extra Blessings

If a Medi-Share member has a medical bill that is ineligible for sharing, they may apply to have their medical bills published on the Extra Blessings list distributed with the monthly share notices. Medi-Share members may contribute directly to others with ineligible medical bills, or, to receive a tax deduction for their donation, mail a check directly to Christian Care Ministry, PO Box 120099, West Melbourne, FL 32912, noting “Extra Blessings” in the memo line. All funds collected at the ministry designated for Extra Blessings are distributed among the eligible recipients each month.

For more information on how to contribute, contact Member Services at (800) 264-2562. Cards, letters, and prayers received along with these extra blessing gifts have been a great comfort and encouragement to those who receive them. To apply for Extra Blessings, visit the forms page on the website at www.MyChristianCare.org.
Important Reminders

Sharing During the First Month of Membership
During the first month of membership, sharing of eligible medical bills is limited to $50,000. Discounts for Dental and Vision and no cost doctor visits start the first month of membership.

Motorized Vehicle Accidents
In cases where a legally required helmet or seatbelt was not being used, 15% of the first $100,000 of eligible medical expenses related to a motorized vehicle or aircraft accident is the responsibility of the member. (Section X. A.)

Sharing of expenses for diagnosis and/or treatment of injuries sustained as a result of riding on a motorcycle is limited to $100,000 of eligible bills incurred per person during each twelve month period of treatment. (Section X. B.)

Workers’ Compensation or Activity Insurance
You must not certify that the Medi-Share program is insurance for any reason, including an attempt to avoid purchasing insurance such as 1) workers’ compensation and/or bonding requirements or 2) sports activity accidental insurance policies offered by schools and other sponsors of sports activities. (Section IX.)

Supporting Your Fellow Members Through Prayer
Each month, your share is used to pay the eligible medical bills of a fellow Medi-Share member. Please remember to lift them in prayer.

Maternity
There are specific guidelines, including eligibility requirements, for maternity. If you are considering pregnancy or pregnant you should carefully review the guidelines related to maternity (Section VII.) A complete information packet to guide you through the sharing process for maternity is available by contacting Member Services at (800) 264-2562, ext. 7018 or you can download the packet after you login at MyChristianCare.org.

Pregnant Members with an Annual Household Portion of $3,000 or higher who have faithfully shared from the month of conception through the month of delivery are eligible for maternity sharing. Maternity sharing is not available for Members with a $1,000 or $1,750 AHP.

Sharing is limited to $125,000 for any single pregnancy event, to include antepartum care, the cost of delivery and complications to the mother and/or child(ren) and postpartum care.
Medi-Share is Not Insurance

Notice: Medi-Share is a non-insurance healthcare program based on Biblical principles.

Medi-Share is not insurance, nor is it guaranteed in any fashion. Medi-Share is not, and should never be construed as a contract for insurance or a substitute for a contract guaranteeing medical or hospitalization insurance. You remain responsible for the payment of your medical bills at all times. Because Medi-Share is not insurance, it does not constitute “creditable coverage.”

Medi-Share is administered on behalf of the members by Christian Care Ministry.

It is important to note that Christian Care Ministry does not pay any medical bills. Through Medi-Share, Christian Care Ministry brings together a community of Christians who assist each other directly through the sharing process.

This program is not regulated by any state or federal body, but is self-regulated by a Board of Directors from across the evangelical Christian community.

Dental, Vision, and More Discounts

The range of discounts will vary depending on the type of provider and service. The plan does not pay providers directly. Plan members must pay for all services but will receive a discount from participating providers. The list of participating providers is at MyChristianCare.org. Discounts are not available in Vermont or Washington.

More information about using a PHCS Provider

STEP 1.
Make Sure Your Provider is Part of the PPO

It is advisable to research this in advance of having a medical incident or emergency. Please visit MyChristianCare.org/FindProviders to search for PHCS providers in your area. If there are no PHCS providers within a reasonable distance (usually 25 miles or less from your home) that provide the type of care you require, please call PHCS directly at (877) 302-7427.

STEP 2.
Submit Your Member Card to the Provider

It is important that anytime you seek medical attention, you submit your member card to the provider and ask that they bill Christian Care Ministry directly. Your member card will direct them to MyChristianCare.org/ForProviders where they can check member and service eligibility.

At the time of each visit pay only your provider fee, which is $35 for every office visit or hospital stay, or $200 for every emergency room visit. If possible, do not pay any amount except for your provider fee up front. If your provider refuses to treat you if you do not pay your entire visit charge up front, request that your provider contact Member Services at (321) 308-7777. If they insist on payment, make sure you obtain an itemized bill* and receipt and submit them immediately to the Processing Office via fax at (321) 722-5138.
Please note that if you pay a PPO provider’s entire charge up front, you have lost the opportunity for a discount. Often, the PPO discount provides a greater savings than what is provided to a ‘self pay’ patient.

*An itemized bill should include: provider name, phone number, address, tax identification number, CPT codes, diagnosis codes, itemized charges, amount of discount (if any) and amount of payment made at time of service.

**STEP 3.**
**Review your Explanation of Sharing (EOS)**

After your appointment, you and your provider will receive an Explanation of Sharing (EOS). This will report how much of your bill was shared, how much was discounted through the PHCS network, and the amount of your responsibility. If any or all of your medical bill was not eligible for sharing, the EOS will provide you with the explanation. The EOS will also show how much was applied to your AHP and the amount (if any) that you will be responsible for paying your provider. If other sources have paid toward your medical bills (such as auto insurance) that amount will also be applied to your AHP.

It is recommended that you not pay your portion prior to receiving your EOS to ensure that all discounts have been applied and to confirm the correct amount of your member responsibility. Please contact Member Services at (800) 264-2562 if you have any questions regarding your EOS.

**Pre-Notification Required**

Your member card also instructs your provider as to when Pre-Notification is required. Your provider must pre-notify Medi-Share for any of the following treatments to be eligible for sharing.

- Inpatient hospitalizations
- Non-emergency surgeries
- Elective cardiac procedures
- Cancer treatment
- Organ/tissue transplant services

Providers pre-notify online at [MyChristianCare.org/ForProviders](http://MyChristianCare.org/ForProviders) or by calling (321) 308-7777.
Non-PPO Provider Penalties and Penalty Waivers

If a member uses a non-PPO professional service provider, bills eligible for sharing are limited to the usual and customary (U&C) charge for that service based on independent norms. Charges above that amount are the Member’s responsibility.

If a member uses a non-PPO hospital or other facility, the member has an additional responsibility of either 20% of total charges or $500 per eligible bill, whichever is lower. This additional responsibility is over and above any other Medi-Share program element, such as the AHP.

Non-PPO Waivers

The additional responsibility associated with out-of-network costs may be waived in cases where there was a life-threatening emergency.

When Bills are Submitted for Sharing

If you would like to know the processing status of your medical bill(s), you may login to MyChristianCare.org and access your protected information under “Bill Status” or call (800) 264-2562 and speak with Member Services. If your provider requests the status of your bills, they may access the provider section of the website at MyChristianCare.org/ForProviders.

How Your Bills are Processed

The eligibility of your medical bills is determined in accordance with the Medi-Share Guidelines. Your original application and all medical information pertaining to the incident may be reviewed again prior to sharing. Sometimes an additional review is required to determine eligibility. CCM will contact you if your medical condition or service requires review and will provide you with the results of your review as soon as eligibility has been determined. If you have questions regarding your review, you may call Member Services at (800) 264-2562.

Faithfully Depositing Your Monthly Share

Your monthly share is due on the first day of the following month. Please do your part by depositing your share on time as your fellow Christians are depending on you. There are consequences for late deposit of your share. Refer to the Guidelines Section III. C.

For your convenience, in addition to mailing in your share, you can make it online or set up automatic withdrawals using electronic funds transfer (EFT) by visiting the Member Center at MyChristianCare.org.
