Now that you are turning 65, you can transition to the Senior Assist program. Please provide us with the information requested below to complete the process.

Have you read the Senior Assist Guidelines?
- Yes
- No

Have you applied for Medicare Parts A & B?
- Have/will have Medicare Part A effective _____________
- Have/will have Medicare Part B effective _____________

Please note that in order to be part of the Senior Assist Program, Medicare Parts A&B are BOTH required. If you do not have both Parts A&B then medical bills will be submitted without the necessary Medicare Explanation of Benefits and thus will be ineligible for sharing. If it is determined that you do not have both Parts A&B, your membership may be switched back to the standard Medi-Share program and you may be required to make up any share difference that may be determined for the time you were on the Senior Assist Program.

Do you have or plan to have a Medicare Advantage Plan, Medi-Gap Program, or other supplemental plan/program (other than Senior Assist) to assist with your medical bills while on Medicare?
- Yes (If you answer yes, please call (800) 264-2562 ext. 7007 prior to completing this form.)
- No

Proof of Medicare Parts A&B is required. Please submit proof of being enrolled in Medicare Part A and Part B by submitting a copy of your Medicare card or a letter from Medicare indicating that you are enrolled in both Parts A&B to the following:

Email: applications@medi-share.org
Fax: (321)722-5134
Mail: P.O. Box 120099 West Melbourne, FL 32912-0099

In order to begin your Senior Assist Membership, we must receive this form, completed and signed, as well as proof of Medicare Part A and Part B. Until these have been received, you will remain on your current Medi-Share program option.
